

Custom-made by Boxercraft (asi/41325; RSN #167), this headband, shirt and pant look combines style and function in a spectacular way. This leopard trio will put your client leaps and bounds beyond their competition.

Add a bold, red watch, such as this one from Brainchild USA Inc. (asi/41511; RSN #168), for a pop of color.

TREND ALERT: Ladies can let their wild sides roar. Headbands are back in style, especially those with prints.

Instead of asking clients to go out on a fashion limb, you can also suggest **up-to-date embellishments that will put a spin on a traditional logo.**
